Halloween story!

Submitted by [Katie](#) on [Mon, 06/28/2010 - 21:31](#)

Hi there - I'm writing an article on how to have a safe and happy Halloween for kids.

I need to interview someone about this on Wednesday this week if possible?! (June 30) or Tuesday evening (June 29). I'm based in Sydney and I need to

interview someone who has children, as the focus is on families.

it wouldn't take long and would be over the phone. Let me know if anyone has any questions or is interested - I can let you know the publication etc.. when we chat.

Thanks! Katie
